BOIL ORDER LIFTED 11/11/2026 12:00 PM
PRECAUTIONARY BOIL ORDER DUE TO WATER MAIN REPAIR NEAR WILLOW CT. AND SHORE DR. SW 11/9/2026

The water main near Willow Ct and Shore Dr SW is being repaired and water is shut down. There is no estimated time for repair completion currently.

Holiday Shores Sanitary District will have to issue a precautionary boil order due to the pressure drop. (below 20 psi / IEPA regulation)

The time the repair is completed will determine the length of the boil order. The boil order remains in effect until the lab notifies us that the water sample is safe to drink. Homeowners will be contacted by the Holiday Shores Sanitary District's office when the boil order is lifted.

The only homes included in this boil order are listed below.
